### LET US TAKE CARE OF THINGS FOR YOU

This year, everyone deserves to enjoy the festivities more than ever, so let us do the work and allow you more time to relax with your loved ones.

Don't forget to order for Christmas Eve, Boxing Day, New Year celebrations and pre-Christmas get-togethers as well as the big day. Meat and poultry should be ordered on this form but anything else we sell in the store can also be ordered using our general Christmas Order Form.

If you'd like to collect different items on different days, please use a separate form for each day. If you're looking for guidance or inspiration, our butchers, fishmongers, chefs and personal shoppers can help with that too. Just ask in store, or call us.
