About the Great Cornish Food Store

We're here to showcase the very best produce from the countryside and coastline of this unique and wonderful county, along with all the incredible people who create it.

Virtually all the food and drink we sell in the store is from Cornwall. Where we can't find a product in Cornwall we venture across the Tamar to Devon (but no further!)

Some of our suppliers are the big Cornish names; others are tiny gems we've discovered. That mix is precious to us, and we test every product for quality, flavour and value.

Our chefs cook from scratch, including all the stocks, sauces, mayonnaise and dressings, working with our butchers, fishmongers and buyers to make the best use of the wonderful fresh, seasonal ingredients you'll find in the store. They also make many of the dishes you'll find on our deli counter to enjoy at home.
